Abstract Format

All abstracts should be submitted in Word format.

Abstract Title

Indicate the title of your abstract.

Authors

- Include the authors and the affiliation details ***(Department, University/Institute, City, Country)***.
- Indicate the presenting author by underlining his name.
- Include the Presenting author's contact details ***(Full first and family name(s), email address, phone number).***

Abstract Layout

Use the following structured format in the final version of your abstract.

Introduction – Methods – Results - Conclusions

Abstract Text

- The abstract title should not exceed the limit of **25 words**. Write the title of the abstract avoiding the use of non-standard abbreviations in capital letters.
- The abstract body should not exceed the limit of **350 words**, clear, concise, and written in English with correct spelling and good sentence structure.

Table(s)

- Tables/diagrams/pictures should be included as an image file (jpeg, gif etc). Use of such graphics will reduce the number of words allowed (each of them should correspond to 50 words and must be included in the limitation of 350 words in order to fit the size of an A4 paper).
- A maximum of two (2) images can be included per abstract. The image(s) will be placed at the bottom of the abstract in all publications and may be resized to fit in the format of the final printed material.

Abstract Submission

To submit your abstract in English Language you are kindly requested to send us your work ***via email*** at abstracts@conferre.gr
